Great for global teams

Virtual + Hybrid

90 min

10 - 1,000 guests

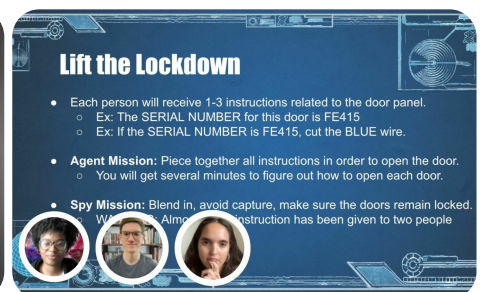

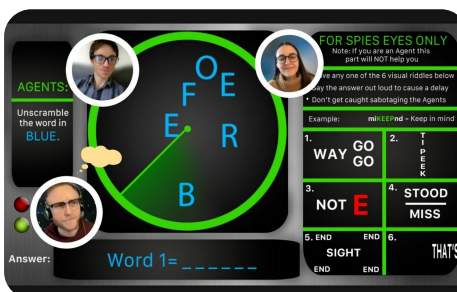

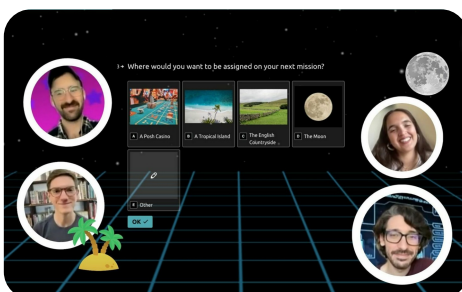

\$40 pp

Welcome to Day One of your thrilling journey as an agent on a mission to save the world. In Espionage!, a virtual high-stakes mission like no other, you and your team will embark on a race against time to expose spies and protect global security. Get ready to immerse yourself in a world of intrigue, as you navigate through a series of mind-bending puzzles, showcase cutting-edge gadgets, and defuse bombs that threaten catastrophic consequences.

Led by our engaging hosts, prepare to be captivated by their expertise as they guide your group through this epic spy mission. Expect twists, turns, and surprises that will keep you on the edge of your seat throughout the exhilarating experience.

Espionage! has been meticulously designed to adapt seamlessly to the meeting platform of your choice, ensuring a smooth and immersive adventure for your team. Whether you prefer Zoom, Microsoft Teams, or any other platform, we have got you covered.

Are you ready to prove your mettle as an agent and unravel the intricate web of espionage? The fate of the world rests in your hands. It's time to harness your skills, work as a team, and outsmart the spies before it's too late. Prepare for an unforgettable mission filled with suspense, strategy, and relentless pursuit of justice. The countdown has begun. Will you emerge victorious?

Agenda

<p>Guest arrival + welcome</p> <p>Welcoming your guests upon arrival, our expert host spymaster will explain the event's structure and give your team members their mission. This introduction lays the introduction for the thrilling 90 minutes ahead. At this stage, players will be secretly designated as either agents or spies. Agents must stay alert throughout the game to clues and giveaways that unveil the double agents' identities.</p>	5 minutes
<p>Team formation</p>	10 minutes
<p>Espionage! puzzles + challenges</p> <p>As the clock ticks down, players must compete to try to complete their respective missions – the agents, to take back control of their base and thwart invaders, and the spies, to subtly sabotage those efforts. Example activities include gathering objects to serve as spy gadgets and decoding moving word scramble puzzles.</p>	60 minutes
<p>Reveal the spies!</p> <p>Players make their final guesses and accusations about the identities of the double agents, before the hosts ask the spies to reveal themselves. If the agents have succeeded in naming all the infiltrators and earning enough points, they'll be victorious. Otherwise, if the spies have evaded capture and prevented agents from gaining points, they'll win. Hosts will wrap-up the mission with a group reflection and photo.</p>	15 minutes
Total	90 minutes

Your Experience

- 90 minutes with a professional teambuilding.com host.
- Takes place on our Zoom account by default.
- Includes all game materials for effective team building.
- We take fun team photos you can share anywhere.
- Features social deduction like never before!

Things to Know

- You can book for an estimated # of guests and update it later. Added guests are invoiced at the per person rate and removed guests are credited to your teambuilding.com account.
- All participants must have a computer with web cam, microphone and internet connection capable of doing a video call.
- No downloads required.
- For larger groups of more than 20 attendees, we may recommend dividing your participants into multiple concurrent sessions.
- If your team is in a hybrid set up, we recommend all in-person attendees join from the same room.

Bonus points if they all have a way to privately write notes!

Your Host Team

Lead Host

This experience is led by an expert teambuilding.com host that makes sure everyone participates and has a great time.

Co-Host

A co-host manages the technical aspects and "behind the scenes" work so that it all runs smoothly.

VIP Support

VIP Support is your point of contact before the experience and handles any follow up tasks.

Client Advisor

Your client advisor can help with customizations, large groups and multi-event packages.
