Join a Certified Water Sommelier and a teambuilding.com partner Emcee Host for a guided virtual water tasting (think wine tasting but with water!) Waters Tasting Kits are delivered in 5 premium glass bottles from around the world with food pairings included. Discover how different water can taste by sampling the world's most premium H2Os.

In addition to being totally unique and memorable, our partner's Virtual Water Tasting is great for all dietary restrictions, making it one of the most inclusive (and healthy) virtual experiences you can do. Everyone drinks water so everyone can participate in this classy, unique event.

Your event includes a 60-minute guided experience and hands-on water testing experiment, plus:

- Premium Waters in 750ml Glass Bottles, including 3 Still Waters and 2 Sparkling Waters
- 2 Food Pairings, including Dark Chocolate and Charcuterie
- 1 Water Test Strip

Virtual water tasting is a unique sensory experience that allows participants to taste water from different sources around the world. Guests can explore the taste, smell, and even the mouthfeel of

water from various locations, ranging from pristine natural springs to urban tap water and exotic watersheds. Guests can even sample food pairings during the tasting to see how the flavors of the food and water interact. This experience raises awareness about the diverse qualities of water and highlights the global importance of water conservation and responsible usage.

"My team recently did a water tasting. **It was AMAZING!** We tasted different waters from all over the world. We learned so much about what makes water taste great. **We will never think about water the same way again.**" - Adrienne, Genentech, 12 Guests, Virtual Water Tasting
